About Childhood Cancer Canada

Today Childhood Cancer Canada is the country's leading foundation dedicated to funding national research while delivering critical education, community and connectivity programs to children with cancer and their families.

Through our national network of care we have been able to reach those who need our help. Our partnership with C^{17}, the Council of Pediatric Hematologists/Oncologists, ensures that the national research we fund improves health outcomes and quality of life for children and adolescents.

Please read the following instructions:

Please make sure donor mailing information is complete and legible. Please write cheques to Childhood Cancer Canada. Make sure all monies collected are attached to the Sponsorship Form – do not separate. For each donation please indicate what type of donation was collected – ie cheque, cash, money order.
